A MESSAGE FROM CITY MANAGER DEBRA ROSE

I am proud to share that more than 80 percent of residents in our latest Resident and Business Satisfaction Survey said they are satisfied with the City's efforts to provide municipal services. This strong show of support is both humbling and motivating for our entire team.

The survey is a key tool in how we plan for the future. It is the first step in our budget process, helping us ensure we are serving Lake Forest in the most effective and fiscally responsible way possible. With a margin of error under 4 percent, the survey gathered insights from 700 residents about life in Lake Forest — how we are doing, where we can improve, and what matters most to our community.

We take this feedback seriously. It helps shape the City's strategic goals for the coming years. Staff then develop budget initiatives aligned with those goals with oversight from the City Council and our commissions. The result is a budget, adopted each June, that reflects your priorities and supports our shared vision for the City.

I encourage everyone to get involved in the process. You can share your ideas or concerns during public budget hearings at City Council meetings — dates will be posted on our social media. You can also contact the Council directly through the "Ask Lake Forest" feature at www.Asklakeforest.com.

This year also marks the release of our first-ever Popular Annual Financial Report (PAFR) — a user-friendly summary of the City's finances. It is designed to make City finances more accessible and transparent. You can find it, along with the full City budget and Certified Annual Financial Report, at www.lakeforestca.gov/budget.

We are honored by your trust, and we will keep working to earn it every day. Thank you for the opportunity to serve this amazing community.

MORE AFFORDABLE HOUSING FOR SENIORS OPENS IN LAKE FOREST

C&C Development and Riverside Charitable Corporation announced the opening of The Meadows Senior Apartments, a 65-unit affordable housing community for residents 62 years and older. The affordable units are designed for seniors earning from 30 percent – 60 percent area median income (AMI).

The Meadows Senior Apartments are in the Toll Brothers Meadows Community at Bake Parkway and Lopala. The Meadows is made up of single and multifamily housing with significant open space and community amenities. Residents in the new senior community will benefit from close proximity to transit, parks, and the Lake Forest Clubhouse Senior Center.

Situated in a single two-story building, units at The Meadows range in size from 600 to 800 square feet. All units are ADA accessible and adaptable. The community has open grassy areas, verandas, and pickleball courts that offer residents a living experience comparable to a market-rate community. Common amenity space also includes a kitchen, laundry room, leasing office, supportive services

manager office, and an outdoor BBQ pavilion. The property is also adjacent to a community park and dog park.

Residents will receive on-site supportive services from LifeSTEPS, the leading provider of resident services for affordable communities within California. Services will be on-site and will consist of educational classes as well as health and wellness programs. These services give older adults the ability to live and age in their homes and communities safely, independently, and comfortably.

Financing for The Meadows Senior Apartments consists of Low-Income Housing Tax Credit funding through the California Tax Credit Allocation Committee (TCAC), California Debt Limit Committee (CDLAC) and California Statewide Communities Development Authority (CSCDA). A construction and permanent loan provided by Bank of America. Additional financing was provided by The City of Lake Forest, The County of Orange, OC Housing and Community Development and The Orange County Housing Finance Trust.

Growing Communities: AFFORDABLE HOUSING IN OUR CITY

- The Meadows Senior Apartments is the City's fourth affordable housing community with 65 units
- The Portola Senior Apartments: 58 one-bedroom units off Glenn Ranch Road, opened in November 2023
- The Mountain View Community: 71 family affordable units opened in March 2024
- The Arroyo at Baker Ranch: 189 family units, opened in 2015.

CITY APPROVES NEW 50-UNIT AFFORDABLE HOUSING PROJECT IN LAKE FOREST

The Lake Forest City Council in March approved an agreement with National Community Renaissance (National CORE) to build a 50-unit affordable housing development at 22471 Aspan Street. The project, named Aspan Court, will replace an existing office building.

Aspan Court will include a mix of one- two- and three-bedroom units, as well as a playground, picnic area, laundry facilities, and parking.

The Council agreed to loan National CORE \$4.35 million, most of it from fees collected from other developers

to support the creation of affordable housing in Lake Forest.

In return, Aspan Court will remain designated as affordable housing for 55 years and will include on-site management. The development will also feature a room with a separate entrance and restroom for use by Orange County Sheriff's Department deputies. The City in the past had similar facilities for deputies in storefronts.

Aspan Court will be in a location deemed "very walkable" to jobs, public transit, and retail, according to

a City Council presentation.

The City and National CORE partnered on the Mountain View affordable housing community; a 71-unit development across from the Post Office. That community, which opened in March 2024, has been well-received, with more than 90 percent of the units leased to individuals who live or work in Lake Forest.

National CORE Chief Development Officer Alexa Washburn said the same local preference will apply to Aspan Court, which is scheduled to open around March 2028.

LAKE FOREST'S FINANCES REMAIN SOLID

Lake Forest City finances remain strong, according to a Mid-Year Budget Review presented to the City Council in March. The report shows a balanced budget with an overall increase in City revenue.

Highlights from the Mid-Year Review include:

- **Balanced Budget Maintained**

The City's General Fund remains balanced at mid-year. Revenue projections have been updated based on the most current data, and expenditure estimates for the General Fund remain unchanged.

- **General Fund Revenue Increase**

Revenues were adjusted upward by \$263,400, a 0.4 percent increase over the original budget. The new General Fund revenue projection stands at \$66.66 million.

- **No Increase in General Fund Spending**

Despite the increase in revenue, the City does not anticipate an increase in General Fund spending, keeping the original expenditure estimate of \$65.98 million in place.

- **Strong Returns on Investments**

Investment earnings saw a significant bump — up 36.3 percent, or \$1.45 million. That increase offset a \$1.2 million decline in sales-tax revenue.

- **Diverse Revenue Portfolio**

Gains were also seen in:

- o Property Taxes: Up by \$136,200 (+0.6 percent)
- o Fines and Penalties: Nearly doubled, increasing by \$330,000 (+94.3 percent)
- o Intergovernmental Revenues: Up \$42,000 (+11.7 percent)

- **Increased Support for Key Programs**

Significant increases in appropriations were made to address priority programs, including:

- o Affordable Housing: An additional \$3.7 million added
- o Low- and Moderate-Income Housing: Up \$650,000
- o Senior Mobility Services: Boosted by \$50,000

LAKE FOREST RELEASES FIRST-EVER POPULAR ANNUAL FINANCIAL REPORT

The City of Lake Forest has released its inaugural Popular Annual Financial Report (PAFR) for Fiscal Year 2023-24, increasing the City's financial transparency and community engagement. The PAFR is a reader-friendly summary of the City's financial health, providing the community with clear insight into how public funds are managed and invested.

Unlike the detailed Annual Comprehensive Financial Report (ACFR), the PAFR simplifies key data to help the community better understand the City's fiscal position, accomplishments, and future outlook.

Key highlights from the FY 2023-24 PAFR include:

- Total Revenues: \$84.6 million, driven primarily by property taxes, sales taxes, and investment income.
- Total Expenses: \$74.2 million, with over 80 percent allocated to public safety, infrastructure maintenance, and community engagement.
- Net Position: Increased to \$563 million, reflecting strong financial management.
- Strategic Investments: Over \$22 million proposed in new capital projects and 34 ongoing projects to improve parks, traffic flow, and public facilities.

LAKE FOREST RESIDENTS GIVE THE CITY HIGH MARKS IN LATEST COMMUNITY SURVEY

The City of Lake Forest continues to earn high satisfaction ratings from residents, according to the results of the 2024 Community Survey. Conducted by True North Research, the survey measured public sentiment regarding quality of life, satisfaction with City services, and priorities for future improvements.

The City has relied on an independent research firm to conduct the surveys every other year since 1998. A stratified sample of residents is selected from voter files, using age, gender, household characteristics, and sub-geographies to identify potential participants. They then receive an email, text, and telephone call and ultimately surveyed via telephone or online, using a PIN-protected system to prevent sharing or multiple uses.

More than 700 residents participated in the latest survey, offering feedback that supports Lake Forest's reputation as a safe, clean, and family-friendly community.

Key Findings

- More than 80 percent of residents are satisfied with the City's overall performance.
- Quality of life remains high, with more than 88 percent of the respondents rating it "excellent" or "good."
- Respondents continue to view Lake Forest as an ideal place to raise a family, with 80.4 percent of residents rating it "excellent" or "good" for family life.

Residents expressed strong satisfaction across a range of City services, especially in areas tied to public safety. School crossing guard services, along with efforts to prevent crime and maintain a low crime rate, were particularly well-regarded.

Community Services also received widespread approval. Programs for both youth and seniors stood out as especially appreciated, and events like concerts in the park and the Fourth of July parade were popular highlights.

Public Works earned high marks as well, with services such as garbage collection and park maintenance consistently meeting residents' expectations.

Communication from the City continues to be a strong point, with the vast majority of residents expressing satisfaction with the way the City shares information.

What Residents Love Most

Residents used words such as "safe," "peaceful," "family-oriented," and "clean" to describe the City of Lake Forest. Many also cited the City's natural feel, parks, and sense of community as top attributes.

When asked what makes Lake Forest special, common responses included:

- Its accessible location and open spaces.
- A small-town feel with strong community values.
- Well-maintained parks, trails, and recreational amenities.

When asked what changes would improve Lake Forest, the answer given most frequently was "Attract new restaurants and stores." The second, close behind, was "Cannot think of anything."

The survey results are used in the City's strategic planning and budget processes.

NEW LOCAL RESPONSIBILITY AREA FIRE HAZARD SEVERITY ZONE MAPS

CAL FIRE released new Local Responsibility Area Fire Hazard Severity Zone (FHSZ) Maps to Orange County cities and the County on March 24, 2025.

The maps show geographic areas of each respective jurisdiction, updated for 2025, which the State Fire Marshal has identified as Moderate, High, and Very High Hazard Severity Zones based on the severity of the fire hazard that is expected in each area. The zones are used for several purposes, including to designate areas where California's defensible space standards and wildland urban interface building codes apply. They can be a factor in real estate disclosure and the City references the FHSZ designations in its Local Hazard Mitigation Plan.

State law requires local jurisdictions to:

- Make the map available for public review and comment within 30 days of its transmittal to the local government.
- Adopt a map by ordinance designating Fire Hazard

Severity Zones within 120 days of its transmittal to the local government.

- File the adopted ordinance and map with the Board of Forestry and Fire Protection within 30 days of ordinance/map adoption.

The new maps expand the boundaries of the FHSZs relative to the boundaries depicted on the current FHSZ map, which was prepared by CAL FIRE and adopted by the City Council in 2007.

Under State law, local jurisdictions may expand FHSZ designations beyond the geographic areas recommended by the State Fire Marshal, with a finding supported by substantial evidence, but may not contract the areas or decrease the FHSZ levels (Moderate, High, Very High) designated on the CAL FIRE maps.

The City will hold a public hearing on the proposed state maps. See www.lakeforestca.gov/en/fire-hazards-severity-zones for more information and maps.

BUILDING A BETTER LAKE FOREST: A LOOK AT 2025 CAPITAL IMPROVEMENTS

Lake Forest continues to enhance the City's infrastructure with 70 Capital Improvement Projects (CIP) in progress and a \$36 million investment dedicated to improving streets, parks, and public spaces. These projects ensure residents enjoy safer roads, upgraded recreational facilities, and modernized public amenities.

Enhancing Streets & Traffic Flow

Recent road enhancements have made a significant impact. The City has completed slurry sealing on Jeronimo and Muirlands, installed a new raised median at Rockfield and Lake Forest, and resurfaced Trabuco Road between Bake and Peachwood.

Additionally, the popular trail along Trabuco Road has been resurfaced, making it safer and more accessible for pedestrians and cyclists. Looking ahead, upcoming projects include street improvements at Bake and Trabuco, as well as raised medians and fresh asphalt along El Toro Road.

Parks & Recreation: Expanding Community Spaces

Parks and Recreation upgrades are also a priority. The Pittsford Park gazebo has been refurbished, creating an even better gathering space for community events. The City is preparing to install its first-ever box lacrosse rink at Foothill Ranch, adding a unique sports facility for residents.

Other projects

Other projects include replacing synthetic turf at Baker Ranch Park and the Lake Forest Sports Park to enhance playability and safety. Lighting at Heroes Park will be also upgraded to provide better visibility for evening visitors.

Pickleball Courts: More Ways to Play!

Pickleball enthusiasts will be excited about the City's investment in expanding court availability:

- At El Toro Park, existing sand volleyball courts will be converted into two pickleball courts.
- At Pittsford Park, one tennis court will be restriped to accommodate two pickleball courts.
- Basketball courts at Foothill Ranch and Borrego Parks will be restriped to create two pickleball courts at each location, offering even more space for this growing sport. The courts at Baker Ranch has already been restriped.

What's Next?

With 31 projects completed, 11 under construction, 11 in pre-construction, and 10 currently in design, the City of Lake Forest is continuously working to enhance infrastructure and recreation opportunities for residents. These improvements reflect the City's commitment to providing high-quality public spaces while ensuring a safe and vibrant community.

CITY OF LAKE FOREST HOUSING REHABILITATION LOAN PROGRAM

The City of Lake Forest Housing Rehabilitation Program offers a zero percent deferred interest loan for homes, condominiums and mobile homes. To qualify for this loan provided by the City, you must first meet the required income qualifications. As a part of the qualifying review, current household income and income for the past two years will be evaluated.

The zero percent (0%) interest deferred loan has no monthly payments. Total payment is due if you are no longer residing in the home, at the time of sale, refinance or transfer of title. Mobile homeowners are eligible to receive up to \$25,000 and homeowners are eligible to receive up to \$40,000.

There are other requirements to qualify for these loans, including but not limited to: applicants must live on the property, may not have received assistance previously, not exceed the asset limitation, and have sufficient equity in the home as well as other requirements.

Most home improvement items are eligible for assistance. However, any code violations or health and safety items in the home **MUST** be corrected as a condition of funding. Any homes built prior to January 1, 1978, must meet the new federal regulations regarding lead-based paint. Eligible repairs for this Program include stucco, windows, painting, roofing, plumbing, electrical, energy and weatherization items, garage doors, fumigation, flooring and other items necessary for the health and safety of occupants. Examples of items that are not eligible are room additions, barbecue pits, ceiling fans, swimming pools, fireplace, and other items determined ineligible.

If you have any questions regarding the loan program please call Theresa Dobbs at (949) 461-3473 or email tdobbs@lakeforestca.gov. All applications must be submitted to Lake Forest City Hall, 100 Civic Center Drive, Lake Forest, CA 92630.

CITY OF LAKE FOREST PAINT PROGRAM

The City established its Paint Grant Program to help maintain and improve the character, aesthetic quality and property values in the community. This Program is funded with the City's Community Development Block Grant and provides the opportunity for qualified homeowners to have the exterior of their home painted and termite treatments as necessary. Grants for single family homes cannot exceed \$12,000 and mobile homeowners cannot exceed \$7,500.

Eligibility: (1) properties must be owner-occupied, (2) the home or mobile home must be in need of painting as determined by the City, (3) owners may not have assets in excess of \$75,000, excluding the value of the home, (4) the existing exterior paint must be lead-free and (5) households must not exceed maximum moderate-income limits (listed in the table to the right), by household size, (per U.S. Department of Housing and Urban Development (HUD)) for the previous two years.

If interested in applying, please email tdobbs@lakeforestca.gov to request an application, call (949) 461-3473 or pick up an application at City Hall reception desk. This Program is first come first served, as funding permits.

Return a completed application to the City of Lake Forest, 100 Civic Center Drive, Lake Forest, California 92630, Attention: Theresa Dobbs, If you have any questions, please contact tdobbs@lakeforestca.gov or contact (949) 461-3473.

WHAT'S HOUSEHOLD HAZARDOUS WASTE GOT TO DO WITH IT?

Household Hazardous Waste Collection Event

Join the City for the annual Household Hazardous Waste and Universal Waste Collection Event hosted by the City of Lake Forest and CR&R Environmental Services on June 28-29. Hours are 8 a.m. to 4 p.m. on Saturday and 8 a.m. to 3 p.m. on Sunday.

To protect our environment and community health, it's important to safely dispose of household hazardous waste. Common hazardous items include paint, cleaning products, aerosol cans, electronic waste (e-waste), batteries, and fluorescent or LED light bulbs. These materials contain harmful substances that should never be placed in your regular trash, recycling, or green waste carts.

Please note that certain items are not accepted at standard collection facilities, including asbestos, propane tanks, helium canisters, medical waste (such as sharps or pharmaceuticals), and large bulky items. Improper disposal of these materials can pose serious risks to sanitation workers, pollute waterways, and damage local ecosystems.

The County of Orange operates drop-off centers year-round. Visit www.oclandfills.com or call the County's hotline at (714) 834-6752 for more information. The nearest center to Lake Forest is at 6411 Oak Canyon, Irvine, CA 92618.

RIDE SAFE, RIDE SMART

The City and Orange County Sheriff's Department are cracking down on reckless e-bike use. Riding an illegal e-motorcycle can lead to serious fines. Parents—make sure your child is riding safely and on the right type of bike. Bikes without pedals may be classified as electric motorcycles. Learn more at www.lakeforestca.gov/ebikes.

EXPAND THE FOREST— A LANDSCAPE IMPROVEMENT PROGRAM

Expand the Forest is a landscape-improvement project that encourages citizen participation in tree planting and provides an opportunity to enhance the City's urban forest.

An Expand the Forest memorial tree is \$93. The application includes an approved tree palette and available parks. Citizen sponsors receive a formal Certificate of Dedication signed by the City Council.

The spring planting season is March 1 to June 1. Visit www.lakeforestca.gov/expandtheforest for more details and an application.

How to Participate and Apply

An application is required for participants of the Expand the Forest program. The application includes a selected tree palette of approved trees and available parks. Submit an application indicating your tree and park preference, along with a check for \$93 made out to "The City of Lake Forest." The fee includes a 15 gallon tree, location study, planting, staking, fertilization, and other maintenance as needed.

IRRIGATION, POLLUTION & PUBLIC SAFETY POWER SHUTOFF (PSPS)

Preventing Water Waste and Pollution Starts With Your Irrigation Controller

Did you know that nearly 50% of residential water use goes toward outdoor landscaping? In places like Orange County, where drought conditions and water conservation are ongoing concerns, maintaining an efficient irrigation system isn't just about keeping your yard green—it's about being a responsible member of the community. An inefficient or malfunctioning irrigation system can waste hundreds of gallons of water, drive up your utility bills, and contribute to environmental pollution. Fortunately, a little routine maintenance can go a long way in protecting our water resources, preventing runoff, and saving you money.

Why Irrigation Runoff Matters

When your irrigation system is running inefficiently—whether due to broken sprinkler heads, misaligned nozzles, or outdated programming—it can result in runoff. This excess water flows off your property and into the storm drain system, carrying with it pollutants like fertilizers, pesticides, sediment, and bacteria. Unlike water that goes down the sink or toilet, runoff from irrigation doesn't get treated. It flows directly into our local creeks, rivers, and eventually the ocean, where it can cause serious harm to aquatic life and compromise water quality.

Local regulations prohibit this kind of runoff, not just because it's wasteful, but because of the threat it poses to the environment. That's why it's crucial to keep your system running properly—not just for the health of your yard, but for the health of our ecosystem.

The Hidden Risk: Power Outages and Irrigation Controllers

One often-overlooked contributor to irrigation runoff is the loss of power. Most irrigation controllers rely on a consistent supply of electricity to maintain their programmed schedules. In the event of a power outage, controllers may revert to their factory default settings—often overwatering your landscape with frequent, unnecessary cycles. While many controllers are equipped with backup batteries, those batteries need to be checked and replaced periodically to ensure they still hold a charge.

In recent years, Public Safety Power Shutoffs (PSPS) have become more common in California. These intentional

outages are designed to reduce the risk of wildfires during extreme weather conditions, such as high winds or heat waves. While PSPS events are important for public safety, they can unintentionally cause your irrigation controller to lose its settings, leading to overwatering and pollutant runoff once power is restored.

Simple Steps to Protect Your Water and Your Wallet

The good news is that avoiding these problems is easy, and it starts with a little awareness and a few quick checks. Here are three simple steps every homeowner should take:

- Check and replace your backup battery regularly. Make it part of your seasonal home maintenance routine, just like testing your smoke detectors. A fresh battery can preserve your irrigation settings during a power outage and prevent unintentional water waste.
- Inspect your controller after a power outage or PSPS event. Confirm that the date, time, and watering schedule are still correct. If your controller has reset, reprogram it based on your landscape's seasonal needs.
- Adjust irrigation schedules with the seasons. Plants need less water in the cooler months and more in the heat of summer. Updating your schedule ensures your plants stay healthy without wasting water.

Resources to Help You Get It Right

Managing your irrigation system doesn't have to be overwhelming. Orange County residents have access to a wealth of resources designed to make water conservation easier and more effective. Visit the county-wide collaborative water resource website at www.H2OC.org for helpful tips, guides, and seasonal recommendations.

You can also contact your local water district for specific support, rebates, or workshops:

- El Toro Water District – www.etwd.com
- Irvine Ranch Water District – www.irwd.com
- Trabuco Canyon Water District – www.tcwd.ca.gov

By staying informed and making small adjustments to your irrigation habits, you can make a big difference in protecting our environment, conserving water, and keeping your landscape thriving all year long.

PARENT & ME GYMNASTICS

1.4-2.2 YRS | 1.6-3.5 YRS

During this class, little ones along with parents will have fun exploring the gym and going through age-appropriate obstacle courses that are set up by our coach. Different activities each week will help children develop gross motor and social skills while increasing the parent-child bonding experience. Skills taught during class include: learning front rolls, hanging on bars, walking on balance beam and jumps on trampoline. Each child must have a parent/guardian participate during class.

ZUMBA® GOLD+ TONING FOR BEGINNERS

18+ YRS

Zumba Gold provides all the fun of a regular Zumba class, but, with modified, low-impact moves. While the toning part of this class utilizes one-pound weights to help you build strength and tone your body, the low impact format is a safe way to keep up with your fitness routine. It's effective, improves balance, flexibility and coordination. If you're new to group fitness or looking for a welcoming community, our Zumba Gold + Toning class is a fantastic entry point. This class is more than a workout option for seniors; it's a fun, and effective fitness choice for younger adults as well. Whether you're looking to manage stress, improve balance and flexibility, or just add variety to your workout routine, Zumba Gold + Toning has the benefits you are looking for. Be ready to have fun, make friends and tone up!

NECTAR'S PRESCHOOL SKATE SCHOOL

4 -7 YRS

This program is geared specifically to younger riders as an introduction to skateboarding and the Skatepark. Students will navigate through the Skatepark with their instructor using Nectar's interactive game board. The game board will help students learn beginner skills, general skateboard safety, and how to have fun and make friends inside a skatepark. We will also host skateboard-related crafts, and an ice cream party on the final day of camp. Water and snacks are provided. Skateboard, helmet, elbow/knee pads are required.

DROP-IN ROLLER SKATE CLINIC & MARKETPLACE

This event is designed with the community in mind and focuses on beginner to intermediate roller skaters while welcoming all levels of skating. We will have skatepark and dance classes, as well as yoga at the beginning, middle, and at the end of the day. Whether you're looking to improve your skills or try something new, we have something for everyone. In addition to the classes, we also have a free vendor village where you can shop from local skater owned vendors and makers. This is the perfect opportunity to meet other skaters in the community and have a fun day out. And as just a reminder, no rental equipment will be available, and helmet and pads are required. We can't wait to see you!

HICAP Health Insurance Counseling and Advocacy Program

TUESDAYS
10:00 am-1:00 pm

June 10

July 8

August 12

FREE

HICAP can help you understand:

1. Your rights as a health care consumer
2. Medicare benefits, including how to appeal Medicare and HMO denials
3. Medicare and health insurance jargon
4. Private Medicare supplemental health insurance policy benefits and exclusions
5. HMOs and how they work including emergency assistance with denials
6. Long-term care insurance

HICAP is a volunteer-supported program that provides free counseling and educational services for older adults and their families. You can arrange for an individual counseling appointment with a HICAP counselor to get the most current information available to help you understand health insurance regulations and coverage. If you want to know what benefits and services you're entitled to and how the health care system works, call and make an appointment.

Through working with a HICAP counselor, you will get unbiased information to help you make the best choices for your individual health care needs as HICAP counselors cannot sell, endorse, or recommend any specific insurance.

**To make an appointment, please call
(949) 461-3408. Leave your name and phone number.**
